

Chase D. Davis, DDS, FAGD
Tyler L. Saunders, DMD
Family & Cosmetic Dentistry

Dr. Chase Davis has owned Chandler Dental for over 10 years. The practice has grown from Dr. Davis doing the teeth cleanings with one assistant to now having 5 hygienists, 12 assistants and 5 doctors. We have the best patients and team that have made this all happen. He has a true desire to make the patient experience as best as it can. He now offers sedation dentistry to help those who have dental anxiety or would rather not remember their visit. Chandler Dental has the philosophy that if you pay us a dollar we need to give you more in service value than you paid us. Our success depends on making you have strong gums and beautiful smiles that last a lifetime.

Dr. Tyler Saunders has been changing the lives of his patients for over 12 years. Dr. Saunders loves building confidence and seeing the smiles that come by doing cosmetic dentistry. He is one of our most detailed oriented doctors. He stays late studying models and photos of his patients, coming up with the perfect plan to make sure his patients have veneers and smiles that are natural, beautiful and symmetrical. Dr. Saunders is honored and humbled to have won the Top Dentists Award in the *PHOENIX* Magazine 3 years in a row now.
